18V C 18 Cordless Drill / Driver 5.2Ah Kit 575008 by Festool

With 18 V of power Festool's C 18 Cordless Drill is guaranteed to make work easier, faster and better. The revolutionary EC-TEC brushless motor is extremely energy efficient, which translates into longer run times. Its wear-free design requires no maintenance and is extremely robust. The lightweight, compact design easily fits into tight areas, and the FastFix interface system means the C 18 can do the job of five different drills including angle, offset and plasterboard work. A built-in LED light ensures precision work even in dark corners. Never before has something so small been able to do so much. The drill, charger and both batteries are covered by Festool's comprehensive 3-year warranty.

Main Applications:-

Furniture assembly and kitchen fitting.
Carpentry/Joinery and interior fitting.
Trade fair/Metal construction and shopfitting.
Painting and interior decorating.
Bodyshops and paintshops.
Industrial use, fastening in series production.
Fences, pergolas, carports, canopies. Studwork.

Strengths And Benefits:-

The benefits of the C model, but now with 18V of power.
FastFix interchange allows quick conversion to angle or offset drill.
Balanced ergonomic design and low weight for comfortable use.
Full electronic torque setting, precise countersinking & screw driving.
Brushless motor with motor management for long service life.
Optimum lighting: with the built in LED light you can keep working even in dark corners.
Uses Festool unique Centrotec chuck system.
