Cordless stirrer for powerful mixing on the construction site
Minor effort to guide the stirrer thanks to ergonomically favourable handle position
Robust metal gripping frame to protect against damage
Battery pack is protected by its location on the top and helps to ensure perfect balance when stirring
Vario-Constamatic (VC)- Electronics for work with materials requiring customised speeds, which remain almost constant under load
Overload protection: protects the motor from overheating
Electronic soft start for splash-free working
Ultra-M technology: highest performance, gentle charging and 3 years of warranty on the battery pack.
