Cordless stirrer for powerful mixing on the construction site

Minor effort to guide the stirrer thanks to ergonomically favourable handle position

Robust metal gripping frame to protect against damage

Battery pack is protected by its location on the top and helps to ensure perfect balance when stirring

Vario-Constamatic (VC)- Electronics for work with materials requiring customised speeds, which remain almost constant under load

Overload protection: protects the motor from overheating

Electronic soft start for splash-free working

Ultra-M technology: highest performance, gentle charging and 3 years of warranty on the battery pack.
