The polymer (heavy duty structural plastic) construction makes this three shelf **TradeQuip "Made for the Trade"** Workshop Trolley durable enough for moving tools and car parts. Easily handles loads up to 226kg. The rubber castors allow you to maneuver the workshop trolley without marring the floor. Deep shelves with 32 parts bins offers plenty of storage for workshop tools and dismantled parts. This is the perfect heavy duty workshop trolley for garages, warehouses and workshops.

Heavy-duty structural polymer construction makes this Workshop Tool Trolley & Parts Bin combination tough enough for long, rugged use. Suitable for the loading and movement of heavy-duty parts and tools, this workshop trolley & parts bin storage system combination has the largest load capacity in its category with industrial grade castors that perform perfectly under significant load.

Features:-

- Super strong polymer (heavy duty structural plastic) construction
- 2x 100mm deep shelves for plenty of tool storage
- 32x Plastic parts bins for convenient storage of dismantled parts nuts & bolts
- Will not dent, rust or chip
- Convenient push handle
- Two swivel and two fixed smooth rolling rubber castors
- No painting required
- Cleans easily
- Virtually maintenance free

Specifications:-
