These multi-purpose cable reels are ideal for use around the home, caravan/camp site, workshop or industrial worksite. They use an internal brush system electrical connection within the cable reel which allows the cable to be retracted while still connected to a device.

Features

High visibility orange colour case and cable

Thermal cut off switch

Wall mountable with included wall mount bracket

Heavy duty electrical cable for industrial and outdoor applications

Illuminated On/Off button

PRCD (portable residual current device)

USB ports x 2

Compact flat design for easy storage

Brush system on board so there's no need to disconnect power outlets while retracting cable

Anti-slip rubber mounts

Retraction lock off switch

Adjustable cable stop

4 wide spaced IP44 rated power outlets for power adaptors

PRCD provides protection against electric shock

Can be wall mounted or used on the ground
