The base of the PACKOUT Modular Storage System is the PACKOUT Rolling Tool Box. 9" all-terrain wheels allow the Rolling Tool Box to easily roll over a variety of rough surfaces, and a metal through-axle secures the wheels providing a stronger connection and longer life in jobsite conditions. An industrial-grade extension handle is designed to support box loads up to 113kgs, and its wide handle produces a more comfortable grip during transportation. In addition, metal reinforced corners provide ultimate durability. **Features:**

- 9" All Terrain Wheels: Oversized for easy rolling through rough job site terrain. Metal through-axle for ultimate durability.

Industrial Grade Extension Handle: Supports up to 113kgs.

Impact Resistant Polymer Construction: Designed to be the most durable.

IP 65 Rated Seal: Helps prevent damage from water and job site debris.

Metal Reinforced Corners: Supports up to 113kgs.

Part of the PACKOUT System: Connects to all Milwaukee PACKOUT modular storage.
