2PK 2MM RED HELIX TITANIUM DRILL BIT 48894803 BY MILWAUKEE

SKU	Option	Part #	Price
8723553		48894803	\$5.9

Model	
Type	Drill Bit
SKU	8723553
Part Number	48894803
Barcode	045242520046
Brand	Milwaukee
Technical - Main	
Material	Titanium
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

MILWAUKEE SHOCKWAVE Impact Duty Titanium Drill Bits with RED HELIX are engineered for impacts and drills. Designed with a Variable Helix with an aggressive 35 ° Helix Angle which ends at 15 °, the Impact Duty Titanium Drill bits with RED HELIX provide Rapid Chip Removal to limit heat buildup to stay sharper longer. The 135 ° split point tip delivers a precision start and prevents walking for fast, accurate holes. Titanium coating can be used in all drilling applications to give you up to 3x life vs. Black Oxide Drill Bits.

Features:

- 135 ° Split Point Tip - Drill bit starts engaging the material on contact for fast starts. Drill bit does not walk across material.
- Variable Helix™ - Provides a solution to cutting vs clearing material removal problem. Allows for fast and efficient material ejection to reduce heat.
- Chip Breaker™ - Splits up the size of the material from the cutting edge. Cools the material faster by breaking it into small pieces.
- Productivity - Suitable for use in drills and impacts. Offers increased productivity when drilling and fastening.
- Titanium Coating - For up to 3x life vs. Black Oxide
