## 7.5MM POWER RED HELIX TITANIUM DRILL BIT 48894818 BY MILWAUKEE

SKU	Option	Part #	Price
8723564		48894818	\$10.3

Model	
Type	Bit
SKU	8723564
Part Number	48894818
Barcode	045242520190
Brand	Milwaukee
Technical - Main	
Material	HSS Steel, Steel, Wood, PVC & Plastics
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	6

MILWAUKEE SHOCKWAVE Impact Duty Titanium Drill Bits with RED HELIX are engineered for impacts and drills. Designed with a Variable Helix with an aggressive 35 ° Helix Angle which ends at 15 °, the Impact Duty Titanium Drill bits with RED HELIX provide Rapid Chip Removal to limit heat buildup to stay sharper longer. The 135 ° split point tip delivers a precision start and prevents walking for fast, accurate holes. Titanium coating can be used in all drilling applications to give you up to 3x life vs. Black Oxide Drill Bits. **Features:-**  
135 ° Split Point Tip - Drill bit starts engaging the material on contact for fast starts. Drill bit does not walk across material.  
Variable Helix™ - Provides a solution to cutting vs clearing material removal problem. Allows for fast and efficient material ejection to reduce heat.  
Chip Breaker™ - Splits up the size of the material from the cutting edge. Cools the material faster by breaking it into small pieces.  
Productivity - Suitable for use in drills and impacts. Offers increased productivity when drilling and fastening.  
Titanium Coating - For up to 3x Life vs. Black Oxide
