SKU	8723970
Part Number	203167
Barcode	4014549302743
Brand	Festool
Features	
Standard Inclusions	25 x Plastic Trays
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	25

For use with the DOMINO DF 500 Joining Machine. DOMINO connector fasteners allow you to smoothly assemble and disassemble furniture panels and more with minimal time and effort. The DOMINO Centre Panel Connector is positioned both in the cupboard panel and the base of the structure with the use of the DOMINO DF 500 Joining Machine. The connectors' large tightening distance and long bolts make furniture assembly significantly easier. Cupboard assembly is therefore no problem, and you can do it easily on your own. The flush-screwed fixture elements protect each furniture component from being scratched. Routing and cutting tolerances of up to 1.4 mm are compensated for without problems by the fixture. The new detachable DOMINO basic structure connectors and furniture connectors are perfectly suited for a panel thickness of 18 mm to 28 mm. Creates 25 centre panel joints.
