Shipping Weight (Gross)	1.48 kg

Milwaukee 30M Laser Distance Measurers are designed to provide the easiest measurements from all orientations. Backlit screens offer maximum visibility in low light conditions. In addition, each tool includes memory storage for 3 readings and impact-resistant overmold for protection from tough jobsite conditions. Milwaukee Laser Distance Measurers also features a side shot button for an easier, more ergonomic experience when measuring in all directions.

Features:-

Backlit Screen: Maximum visibility in low light conditions
Impact Resistant Over Mold: Durability to withstand tough jobsite conditions

Belt Clip: Clips on to safety vest and tool belts

Side Shot Button: Ergonomic to use in all directions

* +/- 3.18mm (1/8") Accuracy
