## 18V CORDLESS DRILL T18 574763 BY FESTOOL

\$399 inc. GST

Model	
Type	Drill Driver
SKU	8724017
Part Number	574763
Barcode	4014549260487
Brand	Festool
Technical - Main	
Chuck Capacity	1.5 mm - 13 mm
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

18 volts of power guarantees the T 18 Cordless Drill works faster, easier and better. The revolutionary EC-TEC brushless motor is extremely energy efficient, which translates into longer run times. Its wear-free design requires no maintenance and is extremely robust. The FastFix interface system means the T 18 can do the job of five different drills in one tool. Stay versatile and flexible by changing in seconds between driving screws, drilling and countersinking, work inside cabinets or around corners with the angle attachment, or right up against the edge with the eccentric offset attachment. It is lightweight, compact and easily fits into tight areas and an inbuilt LED light ensures precise work even in dark corners.

### Main Applications:-

Carpentry/joinery and interior fitting  
Trade fair/metal construction and shopfitting  
Painting and interior decorating
