Long Offset Left Snips 48224538 by Milwaukee

Features

Forged Blades: Stronger and will stay sharper for longer when compared to cast iron blades

One-Handed Metal Lock: Secures tool closed for storage with ease

Bolt Lock: Blades won't loosen or separate

Flush Bolt Design: Snips won't get caught or hang up on material

Ergonomic Grips: Designed for all day use without hand fatigue

Chrome Plated Blades: For protection against rust

Lanyard Hole: For easy tethering and safety precautions

Overview

Milwaukee Aviation Snips are built for long life and durability.

Forged blades deliver up to 10X more cuts than cast blades.

Bolt Lock ensures the blades won't loosen and chrome plating provides rust protection. The flush pivot bolt won't hang up on material for easy use. The metal lock secures the tool for storage and is easily operated with one hand. Ideal for left or straight cuts.
