

20T HYDRAULIC PRESS 1002 BY TRADEQUIP PROFESSIONAL

SKU	Option	Part #	Price
8724293		1002	\$759

Model	
Type	Hydraulic Press
SKU	8724293
Part Number	1002
Barcode	9332105001028
Brand	Tradequip
Size	20,000kg / 20T
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The **TradeQuip "Made for the Trade"** Hydraulic Workshop Press is great for straightening, stamping, bending and pressing any component that is hard to handle. The polished inner cylinder walls extend the life of the hydraulic seals to minimise abrasion and wear, while the cylinder ram and pistons are also polished and chromed, guided by high performance seals, wear rings and dust seals. It is ideal for a variety of workshop applications and in particular suited to agricultural or industrial use. Jobs such as straightening, bending, folding, punching, removing bolts and bearings etc, are some of the tasks that can be easily accomplished.

Features:

- Heavy-duty H-frame constructed of high-grade steel and built to exacting standards for quality and durability
- Welded frame prevents flexing under maximum load
- Lead-free paint finish is applied after a thorough chemical wash to ensure a long-lasting finish and to help prevent rust
- Paint finish is oil, grease and dirt-resistant for easy cleanup
- High quality large diameter hydraulic steel cylinder unit results in lower oil pressure needed to raise the load, helping to reduce wear and extend service life
- Dependable double spring return for fast ram retraction
- Piston-ram is treated and polished for extended life
- Reinforced head bolster for added strength
- Pair of bed plates included

Specifications:

Safe Working Capacity: 20,000kg

23 Exhibition Drive, Malaga Western Australia

Monday - Friday 7am-5pm + Sat 8am-4pm

Sales Centre for Sales, Advice + Orders
