Brand	GearWrench
Packaging + Shipping	
Shipping Weight (Gross)	2.4 kg
Quantity Per Pack	42

GEARWRENCH has taken the ratcheting wrench design and applied it to the tap and die application. The ratcheting handles and adapters allow for easy back and forth movement required while cutting threads on either taps or dies. The 5° ratcheting arc with reversing lever eliminates hand over hand turning. The hex die adapters work on either round or hex shaped dies.

Features

Die adapter works on round and hex shaped dies Ratcheting T-handles wind dies with a 5° swing arc and have a reversing lever to eliminate hand-over-hand turning Twist Lock guide system reduces the "walk back" of the die guide and keeps the dies centered while cutting Die adapters work with the 3/8" drive Pass-Thru[™] ratchet and socket system as well as socket accessories

Auto-locking feature allow the tap adapters to be removed safely

Spring-loaded cap allows for quick release of large tap adapter

Drive extension adapters provide greater access in confined areas when used with 3/8" drive extensions

Ratcheting T-wrench works with GEARWRENCH Pass-Thru[™] socket system

Blow mold case with tilted tap holders for easy access and storage

Includes

3882 Small Tap Adapter3883 Medium Tap Adapter
