Whether taking on the spot, area, or final cleanups, the Milwaukee M18™ FUEL™ 3-in-1 Backpack Vacuum brings unmatched cordless performance, portability, and versatility to the job site. The POWERSTATE™ Brushless Motor and cyclonic design deliver maximum suction power than traditional job site vacs, allowing users to efficiently tackle common job site debris like concrete dust and wood/metal shavings. A removable harness, integrated canister hook and handle allow users to wear, hang, and carry the product for ultimate adaptability. Standard accessories include a flexible hose, telescoping extension wand, floor tool, crevice tool, HEPA filter, and dust extraction adapter. **Features:-**

Cyclonic Technology: Powerful suction, long filter life, and easy-empty bagless debris collection

Onboard storage for flexible hose, telescoping extension wand, floor tool, and crevice tool

Removable harness integrated canister hook and handle for maximum versatility

2-speed switch: high/low switch
