SKU	8724546
Part Number	49569305
Barcode	045242500864
Brand	Milwaukee
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

MILWAUKEE's BIG HAWG with Carbide Teeth is first-to-market in providing extreme life and durability in both nail-embedded wood and abrasive material applications. Utilising advanced carbide technology, the new BIG HAWG with Carbide Teeth gives users 50X life in demanding applications with the ability to cut 1000+ more nails. 10X larger Carbide Teeth rip through materials 5X faster while deeper slots make for fast and easy plug removal. BIG HAWG with Carbide Teeth allows users to cut through the toughest materials including nails, cement board, shingles and plaster. **Features:**

**Largest Carbide Teeth** - 1. For ultimate durability: by increasing the brazing surface the BIG HAWG with Carbide Teeth has a stronger and more durable tooth bond. 2. Fastest cuts in nail embedded wood: larger teeth will cut faster as they remove material in larger chunks.

**Optimised Slot Design and Clearance Pocket** - Deeper slot for easy plug removal to increase productivity on the job site. Clearance pocket for better chip removal and faster drilling.

**Thicker Backer** - Extends hole saw life in heavy duty applications.

**Multi-Material Pilot Bit** - Increased material versatility to increase productivity on the job site.
