Our PACKOUT™ modular storage system is a durable and versatile storage system. The 380mm (15") PACKOUT™ tool bag features an impact-resistant molded base that connects with all other PACKOUT™ system components via integrated locking cleats. We constructed the durable tool duffel bag with 1680D ballistic material and all-metal hardware so it can withstand harsh jobsite environments. The 380mm (15") tool bag features open storage and two exterior pockets for your tools and accessories allowing easy access and visibility. We also added a cushioned shoulder strap, top handles and side handles allowing you to easily and comfortably transport your tool bag wherever you need it. Our PACKOUT™ modular storage allows you to customise and build your own storage system to easily transport and organise your tools and accessories. **Features:-**
