Kincrome offer a comprehensive range of high tensile, UV stabilised cable ties in various sizes in black and natural colours, all manufactured from 66UL approved Nylon. In addition, Kincrome offers the convenience and safety of marker ties for easy cable identification, resealable ties that can be re-used over and over again, stainless steel ties for automotive and marine applications, as well as the revolutionary self-cut ties, all in various sizes. This comprehensive offering is one that will suit all users with over 60 different options in pack sizes ranging from 10 to 500 Pieces. Kincrome is your one stop supplier for all your cable management requirements.

Features:

Indoor & outdoor use

8kg Tensile strength

For Heavy Duty Applications

Suitable for applications that require a high-level of protection against corrosion and environmental conditions, which may cause typical nylon cables to disintegrate

Made from high quality 34 Grade Stainless Steel
