Product Weight (Net Weight)	26 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

This *portable Red Label* 74-Bin Double-Sided Rolling Parts Rack is great for organising small parts and hardware around the workshop. The two-sided design accommodates split work areas or dividing types of parts. The polypropylene bins are easy to remove and place back onto the solid powder-coated steel rails. 75mm swivel castors (2 locking, 2 non-locking) make it easy to move the entire rack into the work area. This portable rack of storage bins can be used to store small tools, nuts, bolts, parts, hobby gear and more! Just lift out the bins you need, take them to your work area, fill them up and put them back in place when you're done.

### Features:

32 red bins, 32 blue bins and 10 yellow bins for easy identification

5-tier steel rack

Swivel castors

Easy to assemble
