Shipping Weight (Gross)	1.48 kg

A perfect mix of size, form, and performance, the HP7 Torch is rightfully one of our most popular handheld lights. It combines our Pure Beam Focusing System with Slide Focus with high, medium, and low output modes to illuminate with either a super wide flood beam or spot mode with transition halo at varying distances and brightness all controllable with one hand. It's anti-roll tailcap allows you to set it on uneven surfaces without rolling off and it even allows you to stand the light up on its cap for vertical lighting situations. With Coast's commitment to quality, the HP7 Torch is impact resistant, weather resistant and its LED is virtually unbreakable. The HP7 Torch is backed by Coast's lifetime warranty against defects in materials and workmanship. Tested and rated to ANSI/FL1 standards. 4 Å— AAA batteries

	High	Medium	Low
