With a sleek design and recharging capability, the A9R Torch is the go to penlight for serious technicians. It has our Inspection Beam that throws out a perfectly circular beam without any dark spots that make up close inspections immediately easier. It recharges by placing a charging cap over the head of the light and works with any USB port. With Coast's commitment to quality, the A9R Torch is impact resistant, weather resistant and its LED is virtually unbreakable. The A9R Torch is backed by Coast's lifetime warranty against defects in materials and workmanship. Tested and rated to ANSI/FL1 standards. 1 x Lithium Polymer battery AC+DC with USB adapters Pocket clip The A9R has one lithium polymer rechargeable battery, which is charged with the Pro-Flex Charging Cap while inside the light via an AC or DC adapter and USB cable (all included). **Warranty:** COAST warranties its knives, tools and LED torches to be free of defects in materials and workmanship for for the life of the original purchaser. This warranty does not cover normal wear and tear, nor damage resulting from misuse or neglect. Warranty does not cover batteries and charging accessories (or damage caused by either).
