Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

There are penlights, and then there is the HP3R Torch which is the brightest penlight on the market. With our Flex Charge Dual Power system, this light harnesses either lithium or alkaline power and using a micro USB, you can recharge the batteries in the light or quickly swap out to alkaline when needed. With high and low modes and the twist focus, this light is a supercharged penlight capable of anything. With Coast's commitment to quality, the HP3R Torch is impact resistant, weather resistant and its LED is virtually unbreakable. The HP3R Torch is backed by Coast's lifetime warranty against defects in materials and workmanship. Tested and rated to ANSI/FL1 standards. 1 \AA — Lithium polymer battery 2 \AA — AAA batteries AC+DC with USB adapters Pocket Clip The HP3R includes one lithium polymer rechargeable battery and two AAA alkaline batteries. While the rechargeable battery pack needs to be charged inside the torch, the included AC and DC adapters (with USB interface) make recharging simple, even in diverse and remote locations.

	High	Low
