Anyone craving super far distances and power, need to look no further than the HP17 Torch. It combines our Long Range Focusing System with Slide Focus with high, medium, and low output modes to illuminate with either a super wide flood beam or spot mode with transition halo at varying distances and brightness all controllable with one hand. Its anti-roll tail cap allows you to set it on uneven surfaces without rolling off and the front power switch allows you to adjust the slide focus and power without having to adjust your hand. With Coast's commitment to quality, the HP17 Torch is impact resistant, weather resistant and its LED is virtually unbreakable. The HP17 Torch is backed by Coast's lifetime warranty against defects in materials and workmanship. Tested and rated to ANSI/FL1 standards. 3 Å— D batteries included
