The M18 FUEL® 180mm / 230mm Large Angle Grinder is the world's first 18v LAG generating corded power and has 230mm grinding capacity. Providing high performance, advanced ergonomics & legendary durability, this grinder is designed to complete the toughest grinding, surface preparation, and cutting applications with any 180mm or 230mm accessory. The POWERSTATE™ Brushless Motor provides 6,600 RPM and higher speeds under load for corded grinding/cutting performance. REDLINK PLUS™ intelligence ensures maximum performance and protection from overload, overheating and over discharge. The M18™ REDLITHIUM® -ION High Output 12.0Ah battery generates unmatched run-time in all applications. Tool-free accessory changes using the FIXTEC nut and guard adjustments mean less downtime during work. **Features:**

100% tool free: make all accessory changes and guard adjustments without a wrench for increased productivity
Metal housing and gearing system providing legendary durability
Advanced ergonomics for increased mobility and productivity
Dual action trigger: eliminating accidental trigger actuation
