ABRASIVE BELT - 50 x 915mm

Abbott & Ashby's range of abrasive belts covers a wide range sizes for all types of Industrial Power Tools. Whether the job calls for Aluminium Oxide, Silicon Carbide or Surface Conditioning belts, you are sure to find one of the right size and grit within the range.

Aluminium Oxide general purpose belts are suitable for most metals and timbers. Silicone Carbide belts are suitable for carbide, glass, stone and hardened metals. Surface Conditioning cleans, blends, deburrs and finishes on steel, stainless steel and a variety of other metals.
