Technical - Main	
Lumens	355 Lumens
Water Protection Rating	IPX4
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Despite its slender, more pocket-friendly size, the G32 LED Torch harnesses the Pure Beam Optic with the ability to twist focus. While in flood mode, the light casts a huge circle of light that is equally bright across without any dark spots. Then twist it into spot mode, and the light will reach far downrange with a transition halo that allows for a large viewing area surrounding the tight spot beam. The flashlight also features a useful pocket clip, keeping it secure in your pocket. With a compact body in a slimmer, pocket friendly design, complete with pocket clip, a big light output and Pure Beam Focussing Optic, the G32 is an ideal all-around torch. With Coast's commitment to quality, the G32 Torch is impact resistant, weather resistant and its LED is virtually unbreakable. The G32 Torch is backed by Coast's lifetime warranty against defects in materials and workmanship. Tested and rated to ANSI/FL1 standards. 2 AA batteries
Pocket Clip

	High	Low
