The GEARWRENCH 3-Piece SAE Socket Rack Sets serve the needs of professional automotive or industrial mechanics with clearly labeled pins to hold 90 total sockets in convenient vertical storage. These sets include three racks designed for 1/4", 3/8", and 1/2" drive sizes, which hold 26, 30, and 34 sockets total, respectively. Fit standard or deep sockets down over the pins, and use the size markers printed on each pin's top to find the right socket for any fastener. These sturdy, break resistant pins help you organize and access your sockets in fast-paced professional environments.

Features:
