The M18 Cable Stripper vastly improves the cable stripping experience. With no exposed blades, the cordless cable stripper provides safer stripping than with a knife. The cable stripper's compact, right-angle design allows the user to maneuver it more easily in tight spaces with less strain on the wrist. The bushing design and adjustable depth gauge deliver cleaner, more accurate and consistent strips across all sizes. With the introduction of the M18 Cable Stripper, Milwaukee now has a dedicated solution for stripping the most common cable sizes on the job site.
