The GWX 18V-10 PSC Professional cordless small angle grinder with X-LOCK offers an improved level of power and tool control in the 18 V category. It delivers power equal to a 1,000 W corded grinder due to its brushless motor and ProCORE18V battery technology. This small angle grinder comes with a keyless X-LOCK click system that enables fast and convenient accessory changes. Its Bluetooth Connectivity module allows for setting adjustments directly via the Toolbox App, while a user interface with speed selection provides active tool feedback for highest convenience. The tool is suitable for cutting and grinding metal, stone, and concrete. It is compatible with dust attachments GDE 125 EA-T Professional and GDE 115 / 125 FC-T Professional, as well as with all Bosch Professional 18 V batteries and chargers (Professional 18V System). Improved power level and tool control in the 18 V category - with X-LOCK

Delivers power equal to a 1,000 W corded grinder due to brushless motor and ProCORE18V battery technology
Changing accessories is fast and convenient thanks to keyless X-LOCK click system

Bluetooth Connectivity for setting adjustments directly via Toolbox App; user interface provides active tool feedback

Specification:

No-load speed: 4,500 – 9,000 rpm

Battery voltage: 18V
