Our Compact Magnetic Tape Measure has up to 3.6m of standout and a magnet that easily attaches to EMT & steel studs. The tape is wear and impact-resistant with nylon blade protection and an additional anti-tear coating on the first 15cm of the blade, reducing tape tear. Built to withstand the jobsite, the compact measuring tapes are constructed with a 5-point reinforced frame for impact resistance.

### Features:

5PT Reinforced frame to help protect against damage from dropping

Rip & Wear Resistant Blade

Metric Printing

Finger stop which helps deliver tape retraction control

Magnetic hook designed for scoring

Stamped steel belt clips

### Specifications:

Coating: Anti-Tear
