

## 12V-36V QUICK CHARGER ASC145 DUO (627498000) BY METABO

SKU	Option	Part #	Price
8726622		627498000	\$309

Model	
Type	Charger
SKU	8726622
Part Number	627498000
Barcode	4061792179127
Brand	Metabo
Size	12V-36V
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

### Features:

Monitored charging with microcontroller

Battery diagnosis

Charge time approx. 30 minutes at 2.0 Ah

"AIR COOLED" function

Universal double quick charger

Universal double quick charger for 12-36 V LiHD/Li-Ion battery packs

Charger switches to compensation charge: to conserve the capacity, the battery pack is charged for 1 second every 45 seconds with 2.5 ampere.

"AIR COOLED" function: the patented principle is based on air-cooling the battery pack during the charging process. The battery packs are gently cooled down to the required charging temperature, and then during the charging process are constantly maintained at optimum temperature. With this principle, a higher tool life of the battery packs and up to 30% shorter total charging time can be achieved.

"AIR COOLED" function: the patented principle is based on air-cooling the battery pack during the charging process. The battery packs are gently cooled down to the required charging temperature, and then during the charging process are constantly maintained at optimum temperature. With this principle, a higher tool life of the battery packs and up to 30% shorter total charging time can be achieved.

### Specifications:

Battery voltage: 12 - 36 V

Mains frequency: 50 - 60 Hz

Max. charging current: 8 A
