Makita has an expanding system of job site lighting solutions, and the Pipe Clamp Light Stand is the ideal accessory for use with the 18V LXT Cordless 20 L.E.D. Work Light (model DML805, sold separately). The Light Stand has a unique design that allows the light to be mounted in multiple locations. The clamp opens to 4-3/8" for convenient attachment to a variety of materials including scaffolding pipes. The Light Stand has a high-strength reinforced design for long service life.

Features:-

VERSATILITY : Clamps to scaffolding pipes or other durable materials to allow the mounting of a light

DESIGN : Easy to use adjustable design for maximum versatility

CONVENIENCE : Clamp opens to 4-3/8" to allow for fastening to a wide variety of materials

DURABILITY : Made from high quality metal for improved durability

Suits:-

For use with Makita 18V LXT® Lithium-Ion Cordless 20 L.E.D. Work Light model DML805
