Shipping Weight (Gross)	1.48 kg

The DUR190 is a lightweight, powerful line trimmer providing a maximum cutting width of 300mm. It can be used with Metal or Plastic cutting blades or nylon line without needing to change the guard. It also provides the ability to quickly change the cutting tool, the user can lock the spindle in place with the touch of a button rather than a tool. It features 3 stage speed control with a reverse switch as well as Automatic Torque Drive technology allowing the motor to increase when under load. **Includes:**

- 1 x Band Assembly (125516-5)
- 1 x Tool Cover (456924-2)
- 1 x Cutter Blade Set (195150-5)
- 1 x Box Driver 16-17 (783013-3)
- 1 x Trimmer Head (196324-1)
- 1 x Accessory Bag (831304-7)
- 1 x Hex Wrench 14 (783202-0)

Features:

3 Stage Speed Control – high, medium and low speed can be changed by simply pushing a button on the easy to use LED display

Reverse Switch – tangled grass clippings can be removed by slow reverse rotation of the cutting tool (automatically stops after three seconds) by pressing the 'R' button and pulling trigger

Tool-less Attachment Change – there is a button on the trimmer head which locks the spindle when changing the
