The KATANA 18V Charge-All 5 piece combo kit is ideal for any serious DIY enthusiast. No matter your DIY job, this kit has got you covered. The KATANA 18V Hammer Drill makes drilling into brick, concrete, timber and steel quick and easy. Designed with comfort, usability and power in mind, the drill will feel at home in your hands. Attack any DIY job around your home or garden through ultimate control, with a 2-speed gearbox, 22 torque settings, 13mm metal keyless chuck and LED work light, meaning even night-time jobs are just as easy. The KATANA 18V Impact Driver delivers the power you want and the comfort you need in a compact, powerful package. Chop and change bits effortlessly in the 1/4" hex quick release coupler as you tackle projects day or night with 3 LED work lights. This impact driver is extremely comfortable and packs a punch. Providing 158Nm of torque and delivering 3000 impacts per minute at 3000rpm it is ideal for small or large missions. This unit will become your favourite tool, as you effortlessly drive in screws and bolts or guide them out. The KATANA 18V Charge-All Reciprocating Saw is our most underrated and versatile product on offer. Reciprocating saws are the go-to tool for demolition during home renovations, pruning trees that are out of hand, or anything in-between. With a tool free adjustable shoe and toolless blade change you will be able to move on to the next job as quickly as you finished the last. The KATANA 18V Charge-All 125mm Angle Grinder is your answer for all grinding applications. The tool-free adjustable guard and 2 position side handle means you have endless adjustability and options. A unique slot in the side handle allows the spindle spanner to be stored inside the handle for easy access and storage. The 2-stage paddle switch ensures that the grinder only starts when you need and is safe, user-friendly and comfortable to use. The KATANA 18V Charge-All
