Part Number	1993T
Brand	Tradequip
Size	30m
Dimensions	
Product Weight (Net Weight)	11 kg
Packaging + Shipping	
Shipping Length	350 mm
Shipping Width	250 mm
Shipping Height	380 mm
Shipping Weight (Gross)	9.5 kg

The **Tradequip "Made for the Trade"** Hand Crank Reel is designed to conveniently store long hose lengths. Ideal for industrial or outdoor use, these Hose Reels are engineered to provide trouble-free performance and long product life. This is the perfect addition to any mobile mechanic or workshop to keep all the air hoses clean and tidy. The hose on this reel, with 360 degree swivel base, can be wound quickly by crank. The swivel air connection makes rolling and unrolling under pressure possible. **Features:**

Heavy duty steel construction

Durable powder coat finish

CNC robotically spun and ribbed discs with rolled edges provide strength and durability

Hose control bar prevents hose from slipping

Adjustable tension brake prevents free-wheel

Base holes for temp or permanent installation

German made rubber air hose & brass fittings

Mounts to floor or wall

Manual-rewind quickly retracts hose

Eliminates storage and handling problems

Beveled flanges rolls hose without kinking
