Our 52" High Capacity Mobile Work Bench is the most durable and best-equipped tool storage solution in its class. The rolling workbench features an 18Ga steel body, 5-inch industrial casters, and a reinforced angle iron frame. The mobile workbench with drawers has a raised reversible 30mm thick wood surface for clamping on 3 sides. The MILWAUKEE® 52" 11 Dr. Mobile Workstation has 11 drawers that hold up to 45kg each. Our tool work bench includes a built-in power center with 4-outlets and 2-USB ports to charge your battery packs and electronic devices. An included bolt-on steel side shelf, a removable power tool holder and an adjustable long tool holder offer maximum versatility and productivity.

Features:

- Angle Iron Reinforced Frame
- 45kg Soft-Close Full Extension Drawer Slides
- 18Ga Construction
- Built-In Power Centre
- Industrial Casters 816kg Weight Capacity
- 11 Drawers
