Product Height	40 mm
Product Weight (Net Weight)	0.7 kg
Packaging + Shipping	
Shipping Weight (Gross)	0.748 kg

Premium nubuck leather makes our BUILDPRO hold-all as long-lasting and functional as it gets. A popular choice for keeping whatever you like at arms length, from pencils and phones to nails and more.

High-grade rivets have been used to reinforce your hold-all at common wear points, making it a top choice for everything from DIY to form work to odd jobs. Heavy duty stitching and German rivets keep our high-quality leather in place for an extra robust design.

Features

Constructed from premium nubuck leather

Rivet reinforced wear points
