Construction Grade Sheathing Tape suitable for Epoxy Resin

Tuck Tape is the world leader when it comes to epoxy resin

molds! It is designed and engineered for sealing of joints.

Tuck Tape features:

Superior sealing, protective benefits & ease of handling

A strong and permanent adhesive that bonds to plastic,

metal, and smooth surfaces such as melamine or formply.

UV resistant and provides aggressive bonding at hot and cold

temperatures.

Each roll is 60mm wide x 66m in length.
