Amp Hour	2.0Ah
Battery Voltage (V)	12V
Brushless Motor	✓
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M12 FUEL™ Multi-Tool generates fast cut speed, low full-tool vibration, and delivers tool-free blade change for fast accessory changes and no misplaced tools. The POWERSTATE™ Brushless Motor delivers 10,000 to 20,000 OPM while maintaining its speed under load, to provide fast cuts. The vibration isolating tool design minimises vibration, making cuts more comfortable for the user with reduced fatigue, while tool-free blade changes means less down time on the jobsite. REDLINK™ PLUS Intelligence, an advanced electronic system, maximises performance, protection, and compatibility. M12™ REDLITHIUM™-ION Battery technology delivers more work per charge and more work over the life of the pack. The M12 FUEL™ Multi-Tool also has an integrated LED light for maximum visibility. The MILWAUKEE® M12 FUEL™ Multi-Tool has a 12-Setting Variable Speed Dial, allowing the user to adjust the speed to the application, whether that's making flush or plunge cuts, removing grout, sanding, or tackling other awkward jobs. The kit includes (5) Sanding Sheets, (1) Sanding Pad, (1) Wood Cutting Blade, (1) Blade Adapter, (1) Depth Stop, (1) Dust Extraction, (1) Contractor Bag.

Includes:

- M12 FUEL™ Multi-Tool (Tool Only)
- (2) M12™ 2.0Ah REDLITHIUM™-ION Compact Battery Pack
- M12™ Lithium-ion Battery Charger
