Features:

- The Composite Honing Wheel has integrated polish to remove the burr and is easy to use.
- Fits Tormek T-8, Tormek T-7 and Tormek 2000.
- The Composite Honing Wheel is suitable to use in clean environments since there's no need to add honing compound.
- Tip when honing - Moisten the composite honing wheel with some water for a smoother honing. Use a sponge or cloth.
- Integrated polish, does not require honing compound
- Ideal for clean environments like kitchens
- Removes burr and polishes edges after sharpening tools
