### Features

- 90-tooth gear delivers a 4° swing arc to turn a fastener in tight confines
- Teardrop, low-profile head and flush-mounted on/off switch allow better access in tight spaces
- Locking flex-head with 9 locked positions and unlocked option for adjustable access angle
- Enclosed head design for extreme resistance to dirt infiltration
- Precision engineered high strength pawl for increased durability
- Highly visible on/off markings on the head
- Bright, full polish chrome finish easily wipes clean and resists corrosion
- Meets or exceeds ASME specifications

### Specifications
