Wood Razor Carbide Reversible Planer Knife offers smooth, clean, perfect planing results in solid wood surfaces. The Wood Razor Carbide Reversible Planer Knife also conveniently provides quick and easy knife changes with hassle-free perfect positioning.

It is suitable for the Bosch GHO 12V-20 handheld planer and the Hoffmann Adler lipping planer, that mount 56-mm blades.

Features

Sharp blades are double-edge ground, enabling the reversible use of either side

Made of Micrograin Carbide, the knife has an extremely sharp cutting edge for consistently fine and even finishes

Micrograin Carbide is highly wear resistant, providing resistance to damage and fractures from accidental strikes

Quick and easy blade changes with hassle-free perfect positioning
