Product Weight (Net Weight)	3.1 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M18 FUEL™ Powered Fish Tape is the world's first battery powered fish tape solution. The Powered Fish Tape's AUTO-RUN™ Powered Feed and Retract eliminates manual pulling tools for less user fatigue and automatically reels the tape back into the cartridge for a cleaner job site. The Powered Fish Tape features a POWERSTATE™ Brushless Motor that provides the ability to pull cable and wire through a 30 m run with 360 ° degrees of bends. The M18 FUEL™ Powered Fish Tape reduces downtime, with an automatic feed that pushes through bends fast for maximum job site efficiency. The Powered Fish Tape is powered by the M18™ REDLITHIUM™ - ION battery pack (not included) and comes with the 30 m Non-Conductive Cartridge (49445195). The Powered Fish Tape is equipped with REDLINK™ PLUS Intelligence for maximum performance, and protection from overload.

- Features:**
- POWERSTATE™ Brushless Motor pulls wire and cable through 360 ° bends
 - Completes tough runs up to 30 m
 - Less muscle effort reduces user fatigue
 - Tape automatically retracts into cartridge for a clean job site
 - Variable Speed Trigger for control in feed and retract
 - Proprietary cartridge design for smooth feeding and retracting
 - REDLINK™ PLUS Intelligence ensures maximum performance and protects from overloads
