The GKS 18V-68 C Professional BITURBO circular saw delivers cordless freedom with corded performance equal to 1,800 W corded saws. The saw features a compact design and lightweight making this perfect for today's jobsites. The innovative new side handle design means users are in control whether on a 45° cut, trimming fencing or ripping. With a cut depth of up to 68 mm, fast motor brake and overload, and restart protection. Integrated dust adaptor to use this saw with dust extraction or dustbags for cleaner and healthier jobsites. BITURBO Brushless maximum performance is achieved with ProCORE18V 8.0Ah and 12.0Ah batteries, but the tool is also compatible with all Bosch Professional 18V battery packs.

BITURBO BRUSHLESS MOTOR DELIVERING 1800W OF POWER
