The MILWAUKEE® RED HELIX™ 15 Piece Cobalt Drill Bit Set is engineered for extreme durability and longer life in hard metal applications. The Milwaukee Cobalt drill bits are designed with a VARIABLE HELIX™ that includes an aggressive 35° Helix Angle which ends at 15°. The drill bits have QUADEDGE TIP™ to decrease heat buildup and drill faster. The 135° split point tip delivers a precision start and prevents walking for fast, accurate holes in Hard Metal, PVC and wood. The tapered drill bits feature a new ENHANCED TAPERED WEB™ that strengthens the bit's core to increase flute durability. The cobalt twist drill bits are ideal for tough applications, providing up to 15X life vs. Black Oxide Drill Bits™. This set includes Imperial drill bits from 1/16" to 3/8".

Features:

- 135° Split Point Tip - Drill bit starts engaging the material on contact for fast starts. Drill bit does not walk across material.
- Variable Helix™ - Provides a solution to cutting vs clearing material removal problem. Allows for fast and efficient material ejection to reduce heat.
- Chip Breaker™ - Splits up the size of the material from the cutting edge. Cools the material faster by breaking it into small pieces.
- Productivity - Suitable for use in drills and impacts. Offers increased productivity when drilling and fastening.

Specifications:

- Coating: Cobalt
- Material: Stainless Steel, Cast Iron, HSS Steel, Steel, Wood, PVC & Plastics

Includes:

- (2) Red Helix Cobalt Drill Bit 1/16" (48892301)
- (1) Red Helix Cobalt Drill Bit 5/64" (48892302)
- (1) Red Helix Cobalt Drill Bit 3/32" (48892303)

23 Exhibition Drive, Malaga Western Australia

Monday - Friday 7am-5pm + Sat 8am-4pm
