

12V HAMMERVAC UNIVERSAL DUST EXTRACTOR BARE (TOOL ONLY) M12UDEL-0 BY MILWAUKEE

SKU	Option	Part #	Price
8728127		M12UDEL-0	\$319

Model	
Type	Vacuum Cleaner
SKU	8728127
Part Number	M12UDEL-0
Barcode	4892210188847
Brand	Milwaukee
Technical - Main	
Battery Voltage (V)	12V
Dimensions	
Product Weight (Net Weight)	2 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M12 HAMMERVAC Universal Dust Extractor is a comprehensive solution for eliminating dust when drilling with any SDS Plus rotary hammer. The onboard universal dust extractor with universal side handle allows users to operate it with any SDS Plus rotary hammer, Milwaukee, or other. The AUTOPULSE filter cleaning mechanism cleans the filter automatically after use to remove debris that could otherwise become lodged. Users will be able to safely drill into common construction materials like concrete, stone, brick and mortar with protection from harmful respirable crystalline silica. The M12 HAMMERVAC Universal Dust Extractor allows the user to drill up to 203 mm (8") in depth and up to 32 mm (1-1/4") in diameter with the two included nozzles, designed for small and large diameters. The adjustable depth stop allows the user to quickly and accurately set the desired hole depths. When the translucent dust box is full, it can be emptied without exposure by hooking it up to a large dust extractor to vacuum out the dust. This M12 Universal Dust Extractor has an Auto On/Off Mode to save the user time and battery life, by automatically activating suction when drilling. The MILWAUKEE® M12 HAMMERVAC runs off any Milwaukee M12 REDLITHIUM-ION Battery, to be a fully self-powered, cordless unit for maximum portability. **Features:**

- Compatible with all SDS Plus rotary hammers
- Universal side handle
- Vacuum port in dust box allows for no exposure dust removal

Auto-On mode

AUTOPULSE filter cleaning mechanism

Capacity to drill up to 203 mm depth, 32 mm diameter

Adjustable depth gauge

Self-powered by M12 REDLITHIUM-ION batteries

Replaceable HEPA Filter

Specifications:

Compatible Tools: Any SDS Plus Rotary Hammer

Drill Depth Capacity: Up to 203 mm (8")

Auto-On Mode: Yes

Drill Diameter Capacity: 4 - 32 mm (1/8 - 1-1/4")

Automatic Filter Cleaning: Yes

Includes:

(1) M12 HAMMERVAC Universal Dust Extractor (M12UDEL-0)

(1) Large Diameter Nozzle

(1) Small Diameter Nozzle

(Not Included) Battery & Charger
