

18V FUEL MULTI TOOL BARE (TOOL ONLY) M18FMT-0 BY MILWAUKEE

SKU	Option	Part #	Price
8728149		M18FMT-0	\$369

Model	
Type	Multi Tool
SKU	8728149
Part Number	M18FMT-0
Barcode	4892210193926
Brand	Milwaukee
Technical - Main	
Battery Voltage (V)	18V
Dimensions	
Product Weight (Net Weight)	1.2 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The MILWAUKEE® M18 FUEL™ Multi-Tool generates fast cuts, the power for demolition, and low full tool vibration. The POWERSTATE™ Brushless Motor delivers 10,000 to 20,000 OPM, with an aggressive 4.2 ° oscillation angle to deliver fast cuts. The Multi-Tool also gives users the power to complete many demanding applications with ease, such as large cuts through hardwoods and nail embedded wood, removing grout, or tackling other jobs. Vibration dampening technology delivers low full tool vibration, letting the user make cuts more comfortably, and with less fatigue. REDLINK™ PLUS Intelligence ensures optimal levels of performance, protection, and compatibility between the tool and battery. To allow users to adjust speed to suit the application, the M18 FUEL™ Multi-Tool features a 10-setting Variable Speed Dial, with an additional Auto-Load feature. Auto-Load sees the tool start slowly when making precise cuts, before automatically ramping up to the highest speed once under load. Tool-free blade change makes accessory changes quick and means no misplaced tools and less downtime on the jobsite. An integrated 180 ° LED light provides users maximum visibility in low-light situations.

Features:

POWERSTATE™ Brushless Motor, combined with 10,000 to 20,000 OPM delivers fast cut speed
 REDLINK™ PLUS Intelligence enables communication between tool and batteries, allowing for optimal levels of performance, protection, and compatibility

Auto-Load feature allows user to start precise cuts slowly, and automatically ramp up to the highest speed under load
Variable Speed Dial with 10 settings for adjusting speed to application

Vibration dampening technology for low full tool vibration

4.2 ° oscillation angle

180 ° span LED for visibility in low-light situations

Tool-free blade change for fast accessory changes

Specifications:

Length: 310mm

No Load OPM: 10,000 - 20,000

Oscillation Angle: 4.2 °

Includes:

(1) M18 FUEL™ Multi-Tool (M18FMT-0)

(5) Sanding Sheets

(1) Sanding Pad

(1) Wood Cutting Blade

(1) Blade Adapter

(1) Depth Stop

(1) Dust Extraction

(1) Accessory Box

(Not Included) Battery & Charger
