The GWS 18V-10 SC Professional cordless small angle grinder offers an improved level of power and tool control in the 18 V category. It delivers cordless power equal to a 1,000 W corded grinder due to its powerful brushless motor and ProCORE18V battery technology. The grinder comes equipped with Drop Control, KickBack Control, and intelligent brake system, providing maximum user protection and convenience. Its Bluetooth Connectivity module allows for setting adjustments directly via the Toolbox App, while a user interface with speed selection provides active tool feedback for highest convenience. The tool is suitable for cutting and grinding metal, stone, and concrete. It is compatible with all Bosch Professional 18 V batteries and chargers (Professional 18V System).

The GWS 18V-10 SC Professional also features Drop Control, intelligent brake system, keyless nut, and KickBack Control.

**Improved power level and tool control in the 18 V category**
