Shipping Weight (Gross)	1.48 kg

The GWS 18V-10 PSC Professional cordless small angle grinder offers an improved level of power and tool control in the 18 V category. It delivers power equal to a 1,000 W corded grinder due to its brushless motor and ProCORE18V battery technology. The grinder comes equipped with a PROtection switch, KickBack Control, and an intelligent brake system, providing maximum user protection and convenience. Its Bluetooth Connectivity module allows setting adjustments directly via the Toolbox App, while a user interface with speed selection provides active tool feedback for highest convenience. This tool is intended for cutting and grinding metal, stone, and concrete. It is compatible with Bluetooth module GCY 30-4, as well as with all Bosch Professional 18 V batteries and chargers (Professional 18V System).

The GWS 18V-10 PSC Professional also features protection guard, keyless nut, and Vibration Control handle. Improved power level and tool control in the 18 V category Small angle grinder delivers power equal to a 1,000 W corded grinder via brushless motor and ProCORE18V battery PROtection switch, KickBack Control, and intelligent brake system provide maximum user protection and convenience Bluetooth module for setting adjustments via Toolbox app; user interface for active tool feedback and speed selection

Specification:

No-load speed: 4,500 – 9,000 rpm

23 Exhibition Drive, Malaga Western Australia
