Our Performance Safety Glasses with Gaskets provide Advanced Protection with Ultimate Performance. The safety glasses feature a removeable gasket that protects your eyes against debris. For added protection, the lenses are high-velocity impact tested providing you with military grade impact protection. The protective eyewear features fog-free lenses so the lenses will stay clear and unobstructed on any jobsite. Durable anti-scratch lenses protect your eyes while withstanding the demands of a job site. Having the clear option also keeps your eyes stay safe when working indoors.

Additionally, these MILWAUKEE ® protective glasses are compliant with AS/NZS 1337.1 2010. **Features:**
